Date: 10/21/15

Lainda Drake
1112 E 8th St
Des Moines, IA 50316

Dear Lainda,

This letter is in regards to the 10/5/15 compliance check of your Category B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 441 IAC 110.5(1)“m” The home shall have at least one 2A 10BC rated fire extinguisher located in a visible and readily accessible place on each child-occupied floor. (You need to obtain a 2A 10BC fire extinguisher for your main floor.)

441 IAC 110.5(2) A provider file is maintained and contains:

☐ 441 IAC 110.5(2)“a” A physician’s examination report for the provider and all members of the household . Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to initial registration; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years. (You need to obtain a copy of a current physician signed statement of health for yourself to be kept on file. **You need to send a copy of this back to me.**)

☐ 441 IAC 110.5(2)“b” (1) Certificates or training verification and record check documentation.

Two hours of approved child abuse and neglect mandatory reporter training (and every 5 years thereafter.)

Certification by an approved trainer/organization in infant and child first-aid that includes mouth-to-mouth resuscitation. The provider shall maintain a valid certificate indicating the date of first-aid training and the expiration date. (You need to send me copies of your current certification in the mandatory reporter training and CPR/First Aid.)

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations on or before: 12/9/15.**

☒ Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed.** By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: 12/9/15.

Always Remember:

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. You can reach Child Care Resource and Referral at 1-800-722-7619.

As you plan your future trainings to meet your 24 hours of training requirement, please remember that you need to use only DHS approved training and only 12 hours can be by self-study. You can access the approved training by going to http://dhs.iowa.gov/sites/default/files/CC_Professional_Development.pdf and you can sign up for training at <https://ccmis.dhs.state.ia.us/trainingregistry/>

All providers need to maintain compliance with rules set out in Iowa Administrative Code, Chapter 110, which includes: 441 IAC 110.5(1): Check with the appropriate authorities to determine how the following local, state, or federal laws apply to you: • Zoning code • Building code • Fire code • Business license • State and federal income tax • Unemployment insurance • Worker's Compensation • Minimum wage and hour requirements • OSHA • Americans with Disabilities Act (ADA).
